Boy Scout/Verturing/Varsity Zombie Towns

#	Zombie Town	Skill	Unit assigned	Unit Contact	Town Description
BZ1	Ground Zero	Check -in	T104		
BZ2	Woodbury	Lashing	T192		Safe Haven from Zombies in "The Walking Dead". Uses big walls to keep out zombies. Sleds can use lashings to build a freestanding barrier.
BZ3	Interstate 85	Creative			The highway from "The Walking Dead" where all the cars have stopped due to traffic. Sleds can use common items that may be found in a car to make a useful "MacGyver" invention.
BZ4	Kino Der Toten	Shooting Skills	T107		This is a Call of Duty zombies map, an abandoned movie theatre. Sleds can maybe do a knife throw or airsoft shoot providing it is all approved
BZ5	CDC	Carry & First Aid	T132		The Center for Disease Control is a popular Zombie location because it is where the people look for a cure. The Sleds will have to demonstrate how to carry someone who cannot use their legs to a safe location and then must treat for a zombie bite
BZ6	Evans City Cemetery	Fire Building	T157		The famous Cemetery from "Night of the Living Dead". Fire is a way to kill the zombies and it can distract other zombies. Sleds must build a fire and burn a rope
BZ7	Pacific Playland	Trivia	T130		The amusement park from "Zombieland". Scouts will answer trivia questions about zombies and scouting
BZ8	Monroeville Mall	Knots	C 59		The mall where the movie "Dawn of the Dead" centers. After scouts move "zombies" using knots they are bored and decide to tie some more knots.
BZ9	Raccoon City Hospital	First Aid			This is the hospital from the movie and video game "Resident Evil". Sleds are asked first aid trivia with a zombie twist
BZ10	West Georgia Correctional Facility	Team Building	T5		The prison from "The Walking Dead." Sleds can do a variety of team building exercises. EX. Blind maze through zombies, getting a team over a wall, etc
BZ11	Abandoned Farmhouse	Model campsite	T86		The refuge place for "Night of the Living Dead". Scouts will have to find fault with the zombie campsite
BZ12	London	Judging height & distance			"28 Weeks Later" was a critically acclaimed zombie movie in Britain and it takes place in a zombie-infested London. Sleds will have to judge the heights of some famous landmarks and distances of famous waterways.

BZ13	**Manhattan**	**Orienteering**			The site of a more modern zombie movie "I am Legend". Sleds will have to use a compass to find different locations in the "City"
BZ14	**Underground Bunker**	**Zombie Fitness**	**T114**		A safe haven during a zombie apocalypse ("Day of the Dead"), the perfect place to do some physical training for when the zombies come. Scouts will have to do some physical activities for points (Up to the troop running it).
