Northern New Jersey Council, BSA experienced a transformational year in 2014. Our summer camps had a record attendance year (3648 youth), and our Northern New Jersey Council (NNJC) and our camp alarm groups continue to invest in improving our camp properties. Everything from improved roads and facilities at Cub Camps YawPaw and Lewis, to new aquatic equipment at Boy Scout Camps Tunnel to the Stars, to recent staff housing improvements and canoe purchases for our Floodwood High Adventure Base, helped every single camper experience an even better summer camp program this past year.

An Open Letter to our Friends:

With an emphasis on deep-spring “youth member Scouting experience” we focused on additional training opportunities and outdoor activities. The organization and our “ScoutFest 2014 – A Celebration of Scouting for our 15th Anniversary” that attracted more than 3,200 Cub Scouts, Scouts, Venturers and Explorers.

An amazing thing happened last year! Because you are our youth, you are participating in more outdoor activities, we had a significant increase locally in youth retention (almost 80% youth are staying in the program). In addition, we traditionally have around 300 Eagle Scouts every year, in 2014 we had a record 346 Scouts earn the rank of Eagle Scout.

More good news is the tremendous increase of youth members in our “MetroLife” Division comprised of major metropolitan cities. Scouting grew tri-fold in East Orange, Newark, Paterson, Passaic, Jersey City and Union City. Our MetroLife Committee’s efforts helped us serve more than 100 youth members. The Bergen Record said it best when they stated that we were making positive strides in our urban markets and they were glad to see it happening.

Our Pore Focus areas in our newly developed Strategic Plan clearly make a difference. Because of our focus on the Cub Scout experience, we finished 2014 with membership growth. Our Friends of Scouting campaign increased nearly 25% for a second consecutive year. We had a full-price sale of nearly $1 million dollars; and, as stated earlier, a record camping year with one of the best summer camp programs in the Northeast Region. All of this happened while balancing our budget, being a fiscally sound council and earning the “Silver Award” in the BSA’s Journey to Excellence program.

In an effort to reach and serve more youth, the Northern New Jersey Council has made a commitment to allocate manpower and financial resources needed to support the growth and delivery of Scouting to youth in economically deprived neighborhoods, and the urban communities of Essex, Bergen, Hudson and Passaic counties.

To support this new initiative, our Council identifies, trains and coaches college students and retirees to serve as Program Aides, in conjunction with the trainers and coaches college students and retirees to serve as Program Aides, in conjunction with the

In addition, we traditionally have around 300 Eagle Scouts every year, in 2014 we had a record 340 Scouts earn the rank of Eagle Scout.

Our five focus areas in our newly developed Strategic Plan clearly make a difference. We are achieving the goals that our officers and members stated earlier, a record camping year with one of the best summer camp programs in the Northeast Region. All of this happened while balancing our budget, being a fiscally sound council and earning the “Silver” Award in the BSA’s Journey to Excellence program.

Because of our focus on the Cub Scout experience, we finished 2014 with membership growth. Our Friends of Scouting fundraising campaign increased nearly 20% for a second consecutive year. We had a fall popcorn sale of nearly $1 million dollars and, as stated earlier, a record camping year with one of the best summer camp programs in the Northeast Region. All of this happened while balancing our budget, being a fiscally sound council and earning the “Silver” Award in the BSA’s Journey to Excellence program.

None of this would be possible without our 4,000 registered volunteers working with our 13,733 youth members. This Annual Report is dedicated to you, the volunteer, and to those who help us serve more than 600 youth members. The Bergen Record said it best when they stated that we were making positive strides in our urban markets and they were glad to see it happening.

Our Focus Area is to build up the number of youth retention and earn the “Silver” Award in the BSA’s Journey to Excellence program. This past year.

An Open Letter to our Friends:
Northern New Jersey Council, BSA experienced a transformational year in 2014. Our summer camps had a record attendance year (3648 youth), and our Northern New Jersey Council (NNJC) and our camp alumni groups continue to invest in improving our camp properties. Everything from improved roads and facilities at Cub Camps YawPaw and Lewis, to new aquatic equipment at Boy Scout Camp Tunnel Lake, to recent staff housing improvements and canoe purchases for our Floodwood High Adventure Base, helped every single camper experience an even better summer camp program this past year.

With an emphasis on a “Jewel-for-jewel” youth member “Scouting experience” we focused on additional training opportunities and outdoor activities. We organized and ran our “ScoutFest 2014 – A Celebration of Scouting for our 15th Anniversary” that attracted more than 2,600 Cub Scouts, Scouts, Venturers and Explorers.

An amazing thing happened last year! Because our youth are participating in more outdoor activities, we had a significant increase locally in youth retention (almost 80% youth are staying in the program). In addition, we traditionally have around 300 Eagle Scouts every year, in 2014 we had a record 346 Scouts earn the rank of Eagle Scout.

More good news is the tremendous increase of youth members in our “MetroLife” Division comprised of major metropolitan cities. Scouting grew tri-fold in East Orange, Newark, Paterson, Passaic, Jersey City and Union City. Our MetroLife Committee’s efforts helped us serve more than 505 youth members. The Bergen Record said it best when they stated that we were making positive strides in our urban markets and they were glad to see it happening.

Our Focus areas in our newly developed Strategic Plan clearly make a difference. Because of our focus on the Cub Scout experience, we finished 2014 with membership growth. Our Friends of Scouting fundraising campaign increased nearly 25% for a second consecutive year. We had a full inspection sale of nearly $1 million dollars and, as stated earlier, a record camping year with one of the best summer camp programs in the Northeast Region. All of this happened while balancing our budget, being a fiscally sound council and earning the “Silver” Award in the BSA’s Journey to Excellence program.

Scout Reach Initiative:
In an effort to reach and serve more youth, the Northern New Jersey Council has made a commitment to allocate manpower and financial resources needed to support the growth and delivery of Scouting to youth in economically deprived neighborhoods, and the urban communities of Essex, Bergen, Hudson and Passaic counties.

To support this new initiative, our Council identifies, trains and coaches college students and retirees to serve as Program Aides, in conjunction with the adult volunteers at each site.

By end of 2014, we have recruited 311 new youth and served a total of 627 youth in Scouting, developed 11 new mentoring pairs of 2 scouts, and sought learning for life-school character development programs, to a total of 956 boys and girls.

在给我们的朋友的一封公开信中：
新泽西北部委员会，BSA在2014年经历了一个具有变革性的一年。我们的夏令营活动在参加度方面创下了纪录（3648名青少年）。我们的童子军校友会和我们的营地校友团体继续投资改善我们的营地财产，从改进的道路和设施到Cub Camps YawPaw和Lewis的新水下设备到Boy Scout Camp Tunnel Lake的新设施，到最近的员工住房改善和皮划艇购买，为我们的Floodwood高冒险基地提供了帮助，使每个小童子军都能够体验到一个更好的夏令营计划。

有一个重点是“一块宝石换一块宝石”青年童子军“童子军体验”，我们专注于提供额外的培训机会和户外活动。我们组织并举办了我们的“ScoutFest 2014—一个庆祝童子军活动15周年”的活动，吸引了2,600多名童子军，Scouts，Venturers和Explorers。

去年发生了一件令人惊讶的事情！因为我们的青少年在参加更多的户外活动，我们本地的青年留存率显著增加（约80%的青少年留在项目中）。而且，我们每年通常有大约300名鹰童子军，2014年我们有创纪录的346名童子军成为鹰童子军。

更多的好消息是，我们的“MetroLife”部门的青年成员人数大幅增加。East Orange, Newark, Paterson, Passaic, Jersey City and Union City等主要城市，青少年数量翻了三倍。MetroLife委员会的努力帮助我们在505名青少年中提供服务。The Bergen Record表示，这是最好的，他们说我们在我们的城市市场中正在取得积极的进展，他们很高兴看到这一点。

我们的焦点领域在我们新制定的战略计划中得到了清晰的体现。因为我们的重点在Cub Scout体验上，我们在2014年完成了会员数量增长。我们的校友筹款活动的筹款目标增长了近25%并实现了第二个连续年。我们举办了一场全场拍卖会，收入约100万美元，并且，正如我们此前声明的那样，我们经历了一个有史以来最好的夏令营活动，不仅在平衡预算方面做得非常好，而且在财政上是一个稳健的单位，赢得了“银”奖，在BSA的“旅程到优秀”计划中。

童子军接触计划：
为了达到并服务更多的青少年，新泽西北部委员会已经做出了承诺，分配人力和财务资源，需要支持Scouting的幼儿在经济上处于不利地位的社区，和埃塞克斯，伯根，哈德逊和帕西克县的都市社区。

为了支持这项新的倡议，我们的委员会识别，培训和教练大学学生和退休人员，他们将为每个站点服务作为Program Aides，与成年志愿者一起。

到2014年底，我们已经招募了311名新青少年并且服务了627名青少年在Scouting，开发了11个新的导师对，每天有2名青少年，寻求学习为生活-学校性格发展项目，达到956名男孩和女孩。
