From: Mark Barnard, Council President

After interviewing several outstanding candidates this past Saturday, I am pleased to announce that the Scout Executive Search Committee has selected a new Scout Executive for the Northern New Jersey Council. Please join me in welcoming Steve Grey, who is currently the Scout Executive for the Hudson Valley Council in New York.

Steve brings a wealth of experience in Scouting and we are excited to have him on board. He will start his role as the NNJ Scout Executive on October 15 and he and his wife will relocate to New Jersey sometime after that.

A special thanks goes to the Selection Committee and especially Clark Atwood for chairing the committee!
