CAMPMASTER PROGRAM

A Campmaster is someone who is willing to spend 2 or more weekends a year supporting the units that stay at Camp Turrell, No-Be-Bo-Sco, Yaw Paw, Alpine and Camp Lewis. The camp has many programs and a Camp Master is available to offer assistance to any interested unit. Many Camp Masters offer programs of their own like Dutch oven cooking, first aid, hikes and camp stories. Other duties consist of check-in, check out and inspection of the units in camp.

The Campmaster program can be a great help to those at camp and at the same time be very rewarding to the Scouters who are willing to give a few weekends of their time.

A Campmaster must be a registered Scout 21 years of age or older and willing to pass his Scouting knowledge to others.

Name _____ Phone # _____
Address _____ City _____
State _____ Zip _____
Email: _____

I am currently registered as _____ Unit _____
BSA Registration # _____ Expiration Date: _____
Additional Experiences _____

References _____

I have the following certification:

() Youth Protection () CPR () First Aid () EMT
Expires _____ Expires _____ Expires _____ Expires _____

I am proficient in and willing to teach the following subjects: (please circle)

- | | |
