Town Request Information Sheet

Does your Unit want to run a town? Complete the attached sheet on a PC and email or scan and send to

Bill Langner at langner151@optimum.net

Remember – first come, first serve, so get your requests in early to get your top choice. Note that your Town request is not final until you receive a confirmation email due to multiple requests for many towns. (See town list below.)

Unit type, number: _____ Troop Home Town: _____

Town Requested: First Choice: _____ Second Choice: _____

Person filling out this form, phone number and Troop position: _____

Town Mayor and Cell Phone number: _____

Brief description of the town activity: (i.e., build fire to burn through string in X seconds, points deducted for each match used etc.): _____

What equipment does each sled need to bring to this town: (e.g., tinder, 3 pieces of fuel wood, etc.) _____

Is this town for Boy Scouts or WEBELOS or both? (Select one only): _____

Any special needs for location (i.e., 100' x 100' flat grassy area, asphalt surface, trees nearby, etc.) and/or location for town? (First come, first served on locations): _____

How will town be scored (remember max score is 10): _____

Any others comments: _____

REMEMBER WE WOULD LIKE TO MAKE THIS AS MUCH A SCOUT-LED EVENT AS POSSIBLE SO PLEASE INDICATE IN COMMENTS SECTION HOW YOUR UNIT CAN DO THIS IN RUNNING THE TOWN.

Note – grills and portable firepits are permitted in towns, but no campfires or fires on the ground.

ALL TOWNS ARE PACK IN/PACK OUT – LEAVE NO TRACE!

Boy Scout Towns

Town	Name	Unit type/#	Description and scoring	Equipment
B1	Sled Check-in	AVAILABLE		
B2	Firebuilding	Troop 192	Safely build a fire using the listed materials and burn the string within the time limit. Scoring on the rules sheet prepared by Tr 192.	
B3	Pioneering	AVAILABLE		
B4	Team Building	Troop 157	Using 4 poles and ropes, 4 scouts must move the center log around the 15 foot square. 2 points for team spirit, 2 points for coordination of team, 0-6 points based on the time to complete	None required, to be provided
B5	Map and Compass	Troop 309		
B6	First Aid	AVAILABLE		
B7	Log Pull	AVAILABLE		
B8	Animal Track Identification	AVAILABLE		
B9	Knot Tying	Troop 76	Scouts must demonstrate proficiency in tying essential scout knots. Points awarded for each knot tied successfully; easier knots will carry a value of " 1 " and more difficult knots a point value of " 2 ".	None required, to be provided
B10	Obstacle Course	Troop 130	A blind-folded Troop member is guided by verbal instructions to navigate an obstacle course to pick up beach objects, point an object. Scoring: 1 point for each object collected.	Blindfold
B11	Height, Distance estimating	AVAILABLE		
B12	Model Campsite	Troop 151	Scouts to observe a campsite and identify issues within the site. Points awarded for observations made within the time period.	None required, to be provided
B13	Life Saving Rope Throw	AVAILABLE		
B14	Scouting Lore	Troop 132	Questions on history of scouting. Five questions, 2 points each	None required.

B15	Geocaching	Troop 308	Find 1 of 4 hidden caches on the grounds using GPS coordinates within the time limit and answer questions about geocaching.	GPS or phone with GPS App
B16	Wood Tools	Troop 114	Answer questions regarding care and safety of woods tools. Points given for correct questions.	None required, to be provided
B17	Scrat's Revenge	Crew 1204	There will be a walnut attached to a square frame with strings. The frame will also have bells attached. The scouts will be given 10 minutes to make as many attempts as they want. If the Troop completes the task without ringing the bells, they will not have more attempts and get a perfect score.	2 poles

WEBELOS Towns
