# CAMPOREE EVENTS

## Event Stations:

**First Aid:** Jason has had a history of not being very nice. We will test your first aid skills to help others who Jason may not have been nice to.

**Archery:** Can you hit the Bullseye? Test your skills at Camp Crystal Lake's Archery Range.

**Top Shot:** Test Your shot at Camp Crystal Lake's Rifle Range.

**Tomahawk Throwing:** Show off your skills in Tomahawk Throwing.

## **The Great Pumpkin Race**

A relay team of 3 scouts will race across the field while carrying a large pumpkin.

**Obstacle Course:** In order to be able to escape Jason you must work your way through an obstacle course.

**Move the Hockey Mask:** Wow!! – Your patrol has found Jason's mask and you must dispose of it safely. Can you safely pick up the mask and place it in the biohazard container for evidence?

**Remember What You See:** Scouts will have 20 seconds to memorize what's on the table before it is covered. They will then have to recite the items from memory.

## **Additional Activities:**

**Friday the 13<sup>th</sup> Movie** – an edited version will be shown. The original Friday the 13<sup>th</sup> movie was filmed at Camp No-Be-Bos-Co (Camp Crystal Lake in the movie) and originally released in 1980.

**For younger scouts who may not want to watch movie.** – map & compass briefing, practical uses for knots, whip & fuse, knife safety.

**FRYday the 13<sup>th</sup> Night Special** – Using a Dutch oven, fry up as many things (must be fit for consumption) as you can think of. Ex. Pickles, Oreos, donuts, mini corn dogs, French fries, Twinkies. Each Troop will need to provide its own cooking equipment. (Dutch Oven and Oil) NO PEANUT OIL. Entries into the contest must be brought to the Mess Hall by 6:45 pm. Dishes will be scored by most creative, presentation, and taste.

**Custom Jason Masks** – There will be a limited number of Jason masks for a scout, Patrol, or Troop to paint and decorate.

# Camping

- Each unit will be camping in a specific campsite or cabin.
- The unit should properly mark their site with their unit's flag.
- Be sure to follow the rules in The Guide to Safe Scouting.
- Follow the "Leave No Trace" Philosophy while camping.
- Respect other units around you.
- It is suggested that each unit provide their own water to start off. Back-up water is available at the designated locations on the camporee map.
- **Troops will be responsible for their own meals except lunch on Saturday for this event. This is a great opportunity for Scouts to work on cooking-related rank requirements or Cooking merit badge.**
- All cooking should be done using above ground stoves. (propane)
- **Be sure to have in public view a first aid kit and fire extinguisher/water buckets in your site.**
- Campsites may be shared so keep your unit together.
