

Building A Legacy: James E. West Fellowship Award

THE JAMES E. FELLOWSHIP AWARD

The James E. West Fellowship Award is a national award given to donors of gifts of \$1,000 or more to the Northern New Jersey Council's endowment fund. The endowment fund is carefully invested by a corporate trustee under guidelines set by the Executive Board. The purpose of the fund is to preserve and grow the principle, while annually utilizing part of the fund to benefit Council operations and properties.

The Award may be in honor of someone, or in memory of a departed loved one, business associate, or special Scouter. Gifts of cash, stocks, bonds, and trusts, or other assets that can easily be converted to cash are also welcome.

FELLOWSHIP BENEFITS

All James E. West Fellows will receive a unique lapel pin, an embroidered square knot and personalized certificate. Recognition is given at a special Fellowship reception in November.

Dr. Kenneth King, Silver Buffalo, grew up in a small New Jersey town, raised by his grandparents. He shared with us "I only had a few activity choices, which were Scouting or getting trouble, and getting in trouble was not an option, so I joined Scouting." At age eight he started his Scouting journey, some of his best memories included learning how to swim at camp, attending 1957 National Jamboree in England, working at summer camp, and now severing on the NNJC Board of Directors. Dr. King said, Scouting has provided him opportunities that have shaped his life and that is why he gives.

Please fill out the below form and return to Northern New Jersey Council to complete your Fellowship Benefits.

"I support Scouting because children are the message we send to the future, if we don't invest in them now, they won't have the skills and knowledge to take care of themselves in the future"
