

Friend of Scouting:

Since 1910, young people across America have been doing good deeds, learning life skills, and developing a moral foundation through the value-based Scouting program. **In northern New Jersey, Scouts have given back to their communities in many ways, by collecting and donating food to local families in need, creating survival backpacks for at-risk veterans and in one exceptional case, a local Scout was able to save the life of a friend who had fallen through ice.** Our Scouts do these things because they care about our communities and because they have the knowledge, skills, and confidence to imagine, organize and execute incredible projects. **With your support, we have delivered on the promise of Scouting for over 100 years.**

**BE A FRIEND OF SCOUTING!:** Friends of Scouting is the annual giving campaign of the Northern New Jersey Council. NNJC invests \$365 per Scout yearly to provide enriching and safe experiences for all the youth we serve. The actual cost of Scouting is much greater than local dues, camping and event fees cover.

**Donation Amounts:**

- \$1,000 Supports once in lifetime experience for five Scouts
- \$500 Supports extraordinary opportunities for three Scouts
- \$365 Allows two Scouts to experience Scouting for a year
- \$250 Celebrates one year of Scouting and supports future leaders
- \$120 Helps Scouts live the values of the Scout Oath and Law
- \$\_\_\_ Any amount can help us deliver the Scouting program in northern New Jersey.

**WE KNOW IT WORKS!** According to a study conducted by Tufts University, Scouting is scientifically proven to promote positive character development. Scouting has shaped positive future outcomes for millions of young people around the world for more than 100 years.

Sincerely,

Jennifer Tanis  
Director of Development
